

100 for the Holidays

The Foundation for Service Dog Support, Inc. (FSDS) announces it's first annual **100 for the Holidays** drive. The FSDS recognizes the value of the many canine assistants who serve the community each day, and the importance of protecting these valuable lives. We are seeking funds to grant training to **100 Canine Assistant Teams** for this holiday season.

This includes teams of:

- Service Dogs for Individuals with Disabilities
- Facility Dogs
- Police K9's
- Fire Department Dogs
- Military Dogs
- Search and Rescue Dogs
- Crisis Response Dogs
- Therapy Dogs

The Canine Safety Program is a comprehensive program that offers training in:

- Puppy 101- how to puppy proof your environment
- Canine CPR
- Basic Canine First Aid
- Common Medical Emergencies in Canines
- Heat Related Emergencies
- Bites and Stings
- Canine Poisoning Emergencies

Please help us to place this life-saving training in the hands of those who are partnered with and responsible for the care of these canines.

We need to raise \$10,000 in order to accomplish our mission. Please contribute generously to help us provide education and training in time for the holiday season, to safeguard these priceless canine assistants.
